

MIKE'S OSCAR SURPRISE!

In anticipation of the 96th Academy Awards ceremony on March 10th, Mike will present a special Oscar-related surprise — maybe it's a nominated film swarming with Oscar buzz, maybe it's a film egregiously overlooked by Academy voters, or perhaps Michael zooms in to the State Theatre with one of our favorite directors from 2023, live from Hollywood. Keeping with the TCFE tradition of always having a “Mike’s Surprise” film each year, we now bring that weird magic and unpredictability back to TCFE Tuesdays, reminding us once again that both the spirit and the reality of our beloved Traverse City Film Festival is thriving at the State Theatre every Tuesday night — a 52-movie film fest, year-round, showing only the good stuff that rarely makes it to TC.
